OZAN DOKMECIOGLU

CEO & Chairman

Driven by a passion for creating distinctive living spaces, Ozan Dokmecioglu embarked on his real estate journey in 2017, founding DND Homes. This accomplished Cypriot entrepreneur possesses a remarkable career trajectory. His leadership acumen led to his role as CEO of Keurig Dr Pepper (KDP), a global beverage giant with a market cap exceeding \$50 billion. Prior to KDP, he held key finance positions at prominent companies such as Kellogg's and Kraft Foods.

Dokmecioglu's career has spanned continents, including significant roles in North America, Europe, and the Middle East, showcasing his adaptability and strategic expertise. His exceptional contributions to the field were recognized with the prestigious Boston Business Journal's CFO of the Year Award in 2018.
